Wildlife Xposure – Jaws, Claws, Scales and Tails. Interact with live native animals and come face to face with apex predators learning about our amazing biodiversity. Capped at 25 participants.

Professor Brains – Ever thought about weird science? Professor Brains will take you into the weird and wacky science world to show you some amazing fun and interactive activities that will get your brain going and make you laugh. Capped at 25 participants.

BirdLife Australia - Coastal Conservation Craft
Come along and find out about the local beach-nesting birds, learn about how you can help them out when visiting the beach and paint a calico bag to take home!
*please wear old clothes in case you get paint on them.

SPECIAL NOTE TO PARENTS

- Participants must be pre-booked at the caravan park office prior to the start of the activity. If unable to attend you must notify the caravan park as soon as possible.
- A Permission Form for each participant must be completed prior to each activity.
- All participants must be signed in by a parent or guardian.
- Participants under the age of 6 must have a parent/guardian remain with them during the activity.
- All participants must be signed out by a parent/guardian.
- All participants must be collected on time.
- The participant contact person must be within a 10 minute radius of the activity site and be contactable during the activity times.
- To ensure our activities are maximised, Barwon Heads activities will be accepting bookings from Riverview Family Caravan Park campers as well. So book early.

To improve this service please fill in the feedback form and return to the caravan park office or email: maddie@barwoncocoast.com.au

Thank you for taking part in this year's free activities .

We hope you enjoyed them, and learnt something new about our amazing environment.
